

A NEVADA CATHOLIC CONFERENCE ADVISORY

VOTE NO ON QUESTION 6!

In Nevada's November 2024 general election, there is an abortion related ballot initiative that proposes to radically expand and enshrine abortion into our Nevada Constitution.

The Nevada Catholic Conference opposes this constitutional amendment and the ballot initiative seeking to permanently place the right to abortion in our state constitution. We urge you to vote NO on this dangerous initiative that threatens the dignity, safety and rights of women, children, and families for many reasons; among them:

- It dangerously expands abortion rights. Abortion, already legal in Nevada up to 24 weeks of pregnancy, would now be permitted to the 9th month of pregnancy, to full term.
- It removes parental notification, consent, and family involvement from all reproductive decisions for their minor children, including abortion. Parental consent is required to give a student an aspirin; yet this initiative would allow a minor to obtain an abortion without parental consent.
- It eliminates the 'licensed physician' requirement for abortion and substitutes 'health care practitioner' that could include nurses, physical therapists, dietitians, and athletic trainers (NRS 629.031) which would be dangerous to women in Nevada.

For these and many other reasons,
the Nevada Catholic Conference urges all - ***Vote NO on Question 6!***

In this Respect Life Month, do not hesitate to share the Gospel of Life
with our sisters and brothers in Nevada.
